(ii) *Certificate of age (see paragraph 9 of the Notification).*

(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation certificate or one of the other certificates listed in paragraph 13 of the Notification. This certificate must be sent with the application in original.

If a Matriculation or equivalent certificate does not give the exact date of birth the candidate must send in addition to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An Anglo-Indian, or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate who has passed the Matriculation or equivalent examination as a private student must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the school which he first attended showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certificate extract from

the Municipal Birth register relating to himself or some other convincing proof in support of the age stated in the Matriculation certificate should be submitted. The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected.

If they do so they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases, a candidate must send direct to the Federal Public Service Commission all the evidence on which he bases his claim, as soon as he has submitted his application.

(b) Cadets of the Prince of Wales Royal Indian Military College, Dehra Dun or K.G.R.I.M. College must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.

The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE.—Candidates who possess the Madras or Mysore Secondary School Leaving Certificates only, must submit in addition to their Secondary School Leaving Certificate proof that they have been declared eligible for admission to a University course of study as Matriculates. This certificate should be signed by the Registrar of the University concerned. But a candidate, who has been admitted to a recognised College or University, may submit a certificate in proof of this fact from the head of the institution concerned.

In the case of Universities in the Province of Madras applications for the issue of eligibility certificates should be made together with the prescribed fee to the Registrar of the University concerned and not to the Secretary, Board of Secondary Education.

(iv) *A certificate from a Government Doctor* not below the rank of Assistant Surgeon in the prescribed form (enclosed)—see paragraph 11 of the Notification.

(7) Copies of the certificates mentioned in paragraph 5 (ii) and (iii) above should also be submitted along with the originals. If the candidate has already submitted any of these certificates in connection with another examination conducted by the Federal Public Service Commission and if it has not yet been returned to him, he should mention the fact when submitting his application, and, if possible, enclose a copy of the certificate. If the certificate is not with the Commission it should be sent with the application whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of their original certificates with them before submitting them to the Federal Public Service Commission, as the Commission cannot undertake to return the original certificates until orders are passed on their applications, nor can they undertake to supply attested copies to candidates.

NOTE.- Certificates other than those mentioned in paragraph (8) (ii) and (iii) above will not be returned.

8. All communications in respect of an application should state the name of the examination and the candidate's address as mentioned in the application form and should be addressed to "the Secretary, Federal Public Service Commission, Council Chamber, Post Box No. 186, New Delhi" otherwise such communications will not be attended to.

9. The fact that an application form has been supplied on a particular date will not be accepted as an excuse for the late submission of an application or as evidence of the receiver's eligibility to compete.

10. Every candidate for admission to the examination will be informed at the earliest possible date of the result of his application. It is not possible for the Federal Public Service Commission, however, to say when that result will be communicated.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

11. Candidates must make arrangements to see that communications addressed to them to the address stated in their applications are redirected, if necessary. Also any change of address should be communicated at once to the Secretary of the Federal Public Service Commission. If a change of address has taken place after the examination, it should also be notified to Army Headquarters (India) A.G.'s Branch, Org. S.P. 2(a), G.H.Q., Post Office, New Delhi. Although the authorities make every effort to take account of changes in candidates' addresses, they cannot accept any responsibility in the matter.
